Report of Principal and School Improvement Council

The mission of Ebenezer Middle School is to provide a quality education for all students in a safe and orderly environment. During the 2008-2009 school year, our dedicated teachers and staff worked diligently to ensure that our mission was accomplished. EMS was accredited by the Southern Association of Colleges and Schools (SACS). We received the Palmetto Silver Award in recognition of the significant gains on PACT. Ebenezer is the home of the 2008-2009 Sumter School District 2 Teacher of the Year.

We are proud of our students and their accomplishments. One of our eighth grade students won the Sumter VFW Post 3034 Patriot's Pen Youth Essay Contest. Ebenezer's school winner of the State Superintendent's Writing Awards Program was selected as the district winner. Another eighth grade student participated in the 2009 S.C. Young Writers' Conference in Columbia. Twenty-three students were named USC-Sumter Junior Scholars, three students were named South Carolina Junior Scholars, and 22 students were inducted into the National Junior Honor Society. The Sumter Chamber of Commerce honored 12 students for outstanding citizenship. The boys' basketball team won the Palmetto Athletic Conference Tournament Championship for 2008-2009. Additional student successes have been recognized and celebrated throughout the year with a variety of activities.

As we continue to meet the challenges of improving student achievement, teachers and administrators recognize the need to stress active learning, academic rigor, and high expectations. In addition to PACT data, analysis of MAP and Unit Tests throughout the year helps strengthen and improve instruction. Single-gender classes were implemented this year for our sixth and seventh grade students. The use of technology is important to insure classroom resources are up-to-date and relevant. Computers, LCD projectors, and Promethean boards are available, and district as well as in-house training is provided for teachers to stay current and to plan cross curricular activities. For students who needed additional assistance in reading and math, extra lab time was scheduled using the Study Island computer program.

Beyond the classroom, students have had an impact on the community. The Student Council has an active recycling program. The Book Chatters Club participated in the National Read Across America Day and read Dr. Seuss books to young children at a local Chick-fil-A restaurant during the evening. The goal for Relay for Life was surpassed, and funds were also raised for St. Jude Children's Hospital and the March of Dimes. During the holidays, we participated in "Shower Shaw with Cookies" to show support for the men and women stationed at Shaw Air Force Base.

Our primary goal for the 2009-2010 school year will be a continued focus on reading in the content areas. These skills will help our students throughout their lifetime, and our school motto "Learning to Be Tomorrow's Leaders," will have real meaning for each of us.
